**Subject:** QARF and accompanying SOW for WA 357-TATA-A882  
**Attachments:** signed QAFR and accompanying SOW.pdf

Mike and Jodi:

Please find attached the signed QARF and accompanying SOW for WA 357-TATA-A882 Technical Assistance Anaconda Aluminum Plant Proposed Superfund Site. The accompanying SOW describes technical assistance and no environmental data collection or generation or environmental technology.

Jodi

The original signed QARF, copy of the SOW and copy of the routing sheet are ready for pickup.

Please let me know if you have questions on the attached documents.
